Dear Ms. Price and Mr. Geiger:

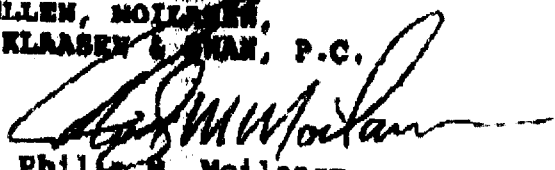

Re: Albion-Sheridan Township Landfill

Yesterday John Seymour called Bernard Konkile of Decker Manufacturing. He indicated an interest in using the land which adjoins the landfill to the west and south, and which is being purchased by a subsidiary of Decker. He wanted to know what can be worked out.

To make a decision on this we need to know exactly what is planned. Please advise me in writing what you intend to do with and to the land, and what consideration you have in mind. As soon as I hear from you a decision can be made.

Yours very truly,

BULLEN, MOILANEN,
